**SCHOOL OF FASHION
AND DESIGN**

ABOUT US

The fashion and design course is a one-of-a-kind that will give you a technological and creative edge. It is intended to provide learners with information and skills based on new technology, the environment, and cultural activities as sources of inspiration. The course is designed to encourage students to think creatively and design distinctive and original garment styles using a hands-on approach.

While the program is structured around unique modules and learning experiences, the highlight is our skilled and motivated Instructors. You will benefit from different cultural perspectives which, in turns, stimulate your propensity to analyse and solve issues in creative and unconventional ways.

Why you should join?

Do you have a flair for fashion? If so, then this course in Fashion and Design could be right for you. A career in this field will offer you countless of opportunities to be creative and innovative, and offers flexibility, immense job satisfaction, and the chance to start your own successful enterprise. If this sounds like the right path for you, then apply to join the next class.
